Adhesive fixing system

SPECIFICATION

- Description: 90° adhesive corner protector (Profila 50 or 30 as manufactured by SPM) from smooth and antibacterial PVC, 2 mm thick, achieving Bs2d0 reaction to fire classification with solid colour. Wings are 50 or 30 mm wide (internal measurement). A protective film is specified to minimise cleaning before acceptance. It is provided with 2 strips of double-sided adhesive foam tape for fixing.

- Environment: no heavy metals and no substance potentially subjected to any REACH restriction are used in its manufacture, nor PBT/BPA. The calcium-zinc thermal stabilisation process is used. The emission level of volatile substance in inside air has been tested according to ISO 16000-6 and is very low (A+) according to the French regulation (23 March 2011 nr 2011-321 Decree and 19 April 2011 Order). 100% of the product are recyclable.

- Colour: selected by architects from manufacturer's standard range.

- Installation method: adhesive. SPM multipurpose adhesive sealant is recommended for stronger fixing.
