Attestation

I, undersigned Dr Vincent MOULES, acting in his capacity as Managing Director of Company VIRHEALTH registered with number 81204535900013 located at 7 rue Guillaume Paradin, 69008 LYON 8EME, FRANCE declare that:

The Laboratory VIRHEALTH S.A.S. was asked to test antiviral activity

Of the product GERFLOR SPM handrail/wall protection (Manufacturer GERFLOR)

On Human Coronavirus HCoV-229E

For the contact times of 2 and 5 hours

under the ISO 21702 (2019) adapted protocol

RESULTS: the product GERFLOR SPM handrail/wall protection shows antiviral activity of 99.96% efficiency after 2 hours and 99.99% efficiency after 5 hours on human coronavirus HCoV-229E at 20°C according to ISO 21702 (2019) adapted protocol.

For all due intents and purposes.

Done at Lyon this 19th day of October 2020

Dr Vincent MOULES

S.A.S VIRHEALTH au capital de 20 040 euros
